

GO Ministries Internship

It is our desire to challenge people of all ages to become involved in the work of building God's Kingdom. The goal of an internship with GO Ministries is two-fold. First, our program endeavors to serve the body of Christ Stateside by presenting ministry opportunities to individuals, allowing them to serve in an international, cross-cultural context according to their giftedness. Secondly, we hope to create new partnerships with international pastors, recruit new partnership development teams and advance God's kingdom through the efforts and contacts of our interns.

GO MINISTRIES INTERNSHIP EXPECTATIONS

Radical Service: Christ is our example. He came to serve rather than to be served. We have the same expectation of our staff and interns. Place no specific conditions or expectations on how you will serve while on the field. Simply expect to serve and make yourself available to help address any needs that may arise both with the staff, nationals and/or team members. Remember that you are a co-laborer and helper in the building of the Kingdom. "For even the Son of Man did not come to be served but to serve and give his life for ransom to many." Mark 10:45

Humility: Jesus Christ became nothing on our behalf. Likewise we become nothing on the behalf of others for the sake of his name. We expect staff and interns to strive towards maintaining a posture of humility before everyone so that we truly hold others in a higher account than we hold ourselves. Having such an attitude will prepare us for service at any time. "Now that I, your Lord and Teacher have washed your feet, you also should wash one another's feet." John 13:14-17

Honesty: We expect staff and interns to be straight forward and honest. Do what you say you will do, promptly, and do not make promises you cannot keep. "Simply let your 'yes' be 'yes' and your 'no' be 'no', anything beyond this comes from the evil one." Matthew 5:37

Open Communication: We expect staff and interns to have open communication with each other. Be open with the others on staff if you are struggling with issues or circumstances that make your work difficult to achieve. Keep in mind that there is a lot on the field that you won't understand. Be observant to differences and ask questions at appropriate times. Rely on those who have invested the most time there when you need counsel on cultural issues that will undoubtedly emerge. "Listen to advice and accept instruction and in the end you will be wise." Proverbs 19:20

Daily Communication With God: We expect staff and interns to take time to pray and be with the Lord daily. There will be many stressful and hectic times on the field. Be sure to take time to pray and center yourself in the Word. "Be still and know that I am God..." Psalm 46:10 "When you seek the Lord your God, you will find him if you look for him with all your heart and with all your soul." Deuteronomy 4:19

Be Submissive to Leaders: We expect interns to be submissive to the staff on the field. You are on the field to assist them. "Obey your leaders and submit to their authority. They keep watch over you as men who must give an account. Obey them so that their work will be a joy, not a burden, for that would be of no advantage to you." Hebrews 13:17

- Who died and was buried and who rose again bodily from the dead on the third day (Luke 23:44; 24:8; John 20:24-29; 1 Corinthians 15:3-8).
- Who ascended into heaven and now sits at the right hand of the Father (Luke 22:69; Acts 1:1-9; Colossians 3:1).
