

Hello Potential Intern!

God is working in incredible ways to Redeem People, Renew Communities, and Restore Creation on the island of Hispaniola. We are excited that you want to be a part of it!

Please carefully read through the Intern Application Guide and prayerfully consider this opportunity before you begin the application. The hours can be long, the weather can be hot, and the work can be hard – this internship is not summer camp! But, the community that you get to be a part of and the opportunity to serve and be the hands and feet of Jesus to Dominican, Haitian and American brothers and sisters is truly beautiful.

If you have been on a short-term mission trip with us, know that an internship can and will look very different from that experience. The 5½ weeks of an internship allow you to expand your knowledge of GO and build upon relationships that were started on your trip(s), but you will be called upon to live selfless lives of service to teams, GO staff, and other interns. Your participation in activities will be secondary to that of the teams you will be serving.

When you are ready to apply, send:

- The GO Ministries Internship Application
 - Current Photo
 - Current Resume
 - 30-60 second video sharing “Why I want to Intern with GO”
- to mking@gomin.org or bking@gomin.org.

Similar to our missionary staff on the field, interns are required to develop a partnership team of both prayer and financial support. A 5.5-week internship is \$1,900 plus the cost of airfare (typically \$750-900)

Blessings,

Mike & Brandy
