WHO WE ARE

GO Ministries empowers local leaders to make disciples as God redeems people, renews communities, and restores creation through mutual transformation.

GO Ministries is a global missions organization committed to empowering local leaders to make disciples in the Dominican Republic and around the world through Church Planting, Medical, and Sports initiatives.

We champion international partnerships, where North Americans, Dominicans, Haitians, and all of the global Church can experience mutual transformation through short-term mission trips, summer internships, financial partnerships, and Disciple-First Sponsorship.

On behalf of the board of directors, it never seems sufficient to say how grateful we are for all of our partners, supporters, staff, and local leaders. For more than 30 years, we have seen God's faithfulness in making disciples and we want to give him all the glory!

"Now to him who is able to do immeasurably more than we can ask or imagine ... Glory!"
